HOW TO SHOP FOR A MORTGAGE

Now that you have found the right house, you are faced with locating the right mortgage. Shopping for a loan is quite different than shopping for a house. The mortgage world is spread out in many directions. To make it even more challenging, everyone's situation is different--some borrowers have limited funds for a down payment, some have a checkered credit history, and others know they will be re-locating in a short time. The lenders are also different--some cater to a very specialized market, while others are more lenient in their qualifying criteria.

We specialize in putting borrowers together with the right loan. We are up-to-date on the offerings and criteria of the different lenders. Our job is to save you time, money, and make your decision easier.

If you would like to discuss what type of mortgage loan will work best for you, call Jamie Harrington at 828-632-0650 for an appointment. United Carolina Group, Inc., is located at 340 NC Highway 16 S. in Taylorsville.
